## **NEWS RELEASE – AUGUST 26, 2009**

### **GPAC SUBCOMMITTEE MEETING SET FOR SATURDAY, AUGUST 29**

The Twentynine Palms General Plan Advisory Committee (GPAC) has been busy this summer and has formed three subcommittees to study specific focus areas and issues related to the current General Plan Update for the City.

The Environmental/Rural Character subcommittee chaired by Pat Flanagan and the Development/Fiscal Issues subcommittee chaired by Mike Duncan held their first organizational meetings on August 20 and 21.

This Saturday, August 29, at 10:00 a.m., the Arts, Culture, Community Design, and Tourism subcommittee will hold its first public meeting in Council Chambers at City Hall, 6136 Adobe Road.

Subcommittee Chair Lisa Pitts will lead the group in addressing discussion items on the agenda such as the existing General Plan vision and proposed guiding principles, as well as issues concerning the Land Use and Circulation elements of the General Plan, and trails, bikeways, and public facilities as they relate to the arts, culture, community design and tourism for the City.

The public is invited to attend all GPAC meetings, and an opportunity will be provided for public input.

Meeting notices and agendas are available on the “General Plan News” page of the City’s web site at: [www.ci.twentynine-palms.ca.us](http://www.ci.twentynine-palms.ca.us). More information is also available by calling the Community Development Department at (760)367-6799.
