GENERAL PLAN GOES TO CITY COUNCIL FOR REVIEW JAN. 26

The Twentynine Palms City Council will review the General Plan Update at its next regular meeting on Tuesday, Jan. 26, at 6 p.m. at City Hall.

Expected to command a major portion of the meeting on Tuesday will be a public hearing for the General Plan Update, in which the City Council will review and discuss the proposed Land Use, Circulation, and Infrastructure Alternatives for the General Plan and will receive the Planning Commission's recommendation to approve the Preferred Alternatives. The Council will also be asked to conceptually approve the clarified draft Vision Statement, Guiding Principles, Issues and Objectives as studied by the General Plan Advisory Committee and modified by the Planning Commission.

After its review of the materials, the Council is expected to direct the General Plan consultant, Hogle-Ireland Inc., to proceed with the next steps in the update process, preparing the draft General Plan and draft Environmental Impact Report for the City.

Also on the agenda for Jan. 26 is a continued open hearing to consider variances to reduce the front, side, and rear yard setbacks for a residential property located at 6421 East Court Way and a joint public hearing for the Redevelopment Agency and the City Council to consider the proposed financial assistance to upgrade the façade of the new City Visitor Center at 73484 29 Palms Highway in the downtown business district.
