EIR SCOPING MEETING, TWENTYNINE PALMS GENERAL PLAN UPDATE MONDAY, MARCH 29

An EIR Scoping Meeting for the Twentynine Palms General Plan Update is planned for Monday, March 29, at 2 p.m. in Council Chambers at City Hall, 6136 Adobe Road.

The meeting is open to the public and will address various issues to be incorporated into the Draft Environmental Impact Review phase of the City's comprehensive General Plan Update.

The purpose of the meeting is to assist the City in determining the scope and content of environmental issues and information needed to evaluate potential impacts of the General Plan Update, Development Code Update, Downtown Economic Revitalization Specific Plan, and Development Impact Fee Program.

Interested individuals and local agencies are invited to provide input at the March 29 meeting or submit written comments to the Community Development Director at City Hall prior to the meeting. This will be the first opportunity for public input on the creation of the Draft EIR, which is scheduled for completion and additional public review later this spring.

For more information, call City Hall at (760)367-6799, or contact the General Plan Update team via their website at www.29palmsgeneralplan.com.
